

TCC Sunday School October Re-opening Information and Safety Guidelines

For the health and safety of your children, please read this document thoroughly.

*Sunday School Registration for Preschoolers through 8th Grade is **online only**. Registration will end 9/30 to accommodate class planning. There will not be any in-person registration, registration breakfast or all-church potluck for a “Kick-Off Sunday.” **All children must be registered online before attending Sunday School.**

*The Nursery will remain closed until further notice.

***VERY IMPORTANT RESERVATION INFORMATION!** Sunday School will begin at 10:00 am when Worship begins. Please arrive by 9:45 to check-in. (Further check-in details below.) Until further notice, Sunday School children will either attend Worship OR Sunday School. All children attending Sunday School MUST be indicated in their parents’ weekly online Worship reservation in the comments only. This will show that they are attending Sunday School and not Worship in the sanctuary. Parents DO NOT include children in your sanctuary reservation number unless your children are staying in the sanctuary with you. Please indicate in the COMMENTS which children, names and grades, will be coming to Sunday School on that Sunday. YOU MUST MAKE NEW RESERVATIONS EVERY WEEK! All Sunday School attendees must be noted on the Sign-Up Genius each Friday. This is VERY important in determining allowable occupancy in the sanctuary and in the Sunday School classes.

*To be fair to everyone, if you reserve space for your children in Sunday School or in the Sanctuary, please do your best to keep that reservation. Space is very limited.

***All children ages 3 and up will wear masks.** All activities will require social distancing. If bigger kids don’t follow the rules, they will be returned to parents immediately - no questions asked and no exceptions. Safety is our biggest concern.

*All Sunday School children and adults will use hand sanitizer upon arrival and departure, pending parent approval.

*All classes will begin the Sunday School year outside on the front lawn for as long as weather permits. PLEASE HAVE YOUR CHILDREN DRESS APPROPRIATELY FOR THE WEATHER. Classes will move inside only if/when there are weather concerns. (Ex. very low temperatures, heavy rain, thunder/lightning.) The location inside will depend upon attendance and occupancy guidelines in the rooms within the building.

*Other than their own personal Bibles (4th Grade and up), any additional items from home are not allowed. Please remind your Middle Schoolers that phone use will not be permitted.

*****Before entering the church building, parents must accompany children in all grades, (including Middle School) to a drop-off with the Sunday School Superintendent. Parents will be required to answer a series of health-related questions relative to each of their children. Children without a check-in from an accompanying parent will not be allowed to stay. Please arrive by 9:45.*****

*Drop-off and check-in for all ages will be outside of the courtyard, by the Pine Street entrance and parking lot.

*****Parents of all children will pick-up their children in person, regardless of age, immediately following Worship. This is to ensure that children are not roaming around the church and/or interacting inappropriately and unsafely.*****

*Our current Nursery Attendants, Maria and Olivia, will be our alternating Preschool - 5th Grade Shepherds. This will lessen potential exposure of other adults and guarantee that we have the help we need.

*For those children not attending Sunday School and in an attempt to stay connected to all Sunday School families, the Sunday School Superintendent will create a version of the weekly Sunday School lessons to email to those families who do not attend Sunday School in person.
